OF DRIVING
STYLE.

A high-angle, interior shot of a modern car's front cabin. The driver's side door is open, revealing a bright yellow corrugated metal wall and a blue parking sign outside. The car's interior features black leather seats with white stitching, a black dashboard with a large digital display showing a map, and a black steering wheel. The center console has a gear shifter and handbrake. The overall aesthetic is sleek and contemporary.

A teal BMW 1 Series is shown from a rear three-quarter perspective, driving on a city street. The car is in motion, as indicated by the blurred background and the motion blur on the road surface. The car's license plate is 'M SJ 5130'. The background features a red building with a yellow and black striped pattern, a black metal fence, and two yellow bollards. The text 'THERE'S NO SECOND CHANCE FOR A BLATANT IMPRESSION.' is overlaid on the bottom left of the image.

■ Standard equipment □ Optional equipment

□ The Adaptive LED headlights contain low-beam and high-beam light including the dazzle-free high-beam assistant BMW Selective Beam as well as direction indicators in full LED technology. The equipment also features cornering lights, daytime running lights and Adaptive headlights with city, country and motorway mode for excellent illumination of the road ahead.

□ The M sports seats³ * with integrated headrests, deep sitting surface and high side and backrest bolsters offer the driver and front passenger³ * improved support, even in fast turns. In addition, the seat can be adjusted to your individual body size thanks to the integrated backrest width adjustment.

□ When open, the Panorama glass roof provides a great deal of fresh air. Closed, it creates a bright, light-flooded atmosphere in the interior. It opens and closes completely automatically at the push of a button or with the vehicle key and is equipped with slide and lift functions, a roller sunblind and wind deflector.

□ The 8-speed Steptronic Sport transmission¹ * offers incredibly sporty gear changes. Whether automatic or manual using gearshift paddles or gear lever.

□ The outstanding Harman Kardon surround sound system* features a 464W digital amplifier, nine channels and 16 speakers. Its extremely harmonious sound perfectly fills the interior space. Fully automatic, speed-dependent equalising precisely compensates for any background driving noise.

■ The Through-loading system with rear seat backrests, which are divisible in a 40:20:40 ratio, guarantees flexibility when transporting people and objects.

□ Interior and driver-side exterior mirrors with automatic anti-dazzle function, including electric fold-in function for the exterior mirrors and automatic curb parking function for the front passenger exterior mirror.

□ The BMW Live Cockpit Professional with navigation function includes two high-quality displays consisting of a high-resolution 10.25" Control Display that can be operated by touch and a fully digital 10.25" instrument display. The BMW Operating System 7 can also be operated via the iDrive Touch Controller.

□ The safety package Driving Assistant² * includes the camera-based systems front collision warning with braking function, Speed Limit Assist incl. Speed Limit Info with No-overtaking indicator with preview and Lane Departure Warning. Additionally, the radar-based equipment includes Crossing traffic warning rear, Lane Change Warning and Rear collision warning.

□ Parking Assistant⁴ makes parking the vehicle easier. The Rear View camera provides a clearer view behind the vehicle. Active Park Distance Control offers increased protection against damage caused by parking. Parking Assistant parks the vehicle automatically, parallel or perpendicular to the street, and leaves parallel parking spaces.⁴ The Reversing Assistant supports you when reversing, e.g. in narrow lanes.

□ Wouldn't it be incredible if your BMW was also your personal vehicle expert? Communicate with your vehicle using the BMW Intelligent Personal Assistant*. Say natural commands to operate numerous vehicle functions. It can also explain topics about your vehicle and helps you to get to know your BMW even better.

¹ Standard for M235i xDrive.
² Function may be limited in darkness, fog or bright glare.
³ Only available in conjunction with M Sport package and M235i xDrive.

⁴ The driver is responsible for constantly monitoring the automated parking procedure in accordance with local road laws.

The dimensions in the technical drawing are in millimetres and may vary depending on the model and optional equipment.

The figures for driving performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission. Figures in [] are for vehicles with Steptronic transmission.

¹ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

² The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

³ Performance data of petrol engines apply to vehicles using RON 98 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. Depending on the model, BMW recommends RON 95 super unleaded petrol or RON 98 super plus unleaded petrol. Your local BMW Partner is available to provide further details.

⁴ Official data for fuel consumption and CO₂ emissions was determined in accordance with the prescribed measuring procedure and corresponds to European Regulation (EC) 715/2007 in the applicable version. For ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exists. For more information about NEDC and WLTP measuring procedures visit www.bmw.com/wltp
