LEADING
WITH STYLE.

A blue BMW 530e sedan is shown from a rear three-quarter view, parked on a dark asphalt road. The car's license plate is 'M-GI 711E'. In the background, there is a modern building with a facade of vertical, perforated metal panels. Several green trees are positioned between the car and the building. The scene is brightly lit, casting shadows on the ground.

HIGHLIGHTS.

Discover even more with the new BMW Brochures app. Available now, for your smartphone and tablet.

■ Standard equipment □ Optional equipment

□ The M Sport package gives the vehicle an even sportier touch. In addition to an appearance sharpened by many details in the exterior and interior, the M Sport package guarantees an increase in driving pleasure. The M Sport suspension* and the M Aerodynamics package for example noticeably optimise the driving dynamics.

□ The Luxury Line shows the elegant side of the vehicle. Elegant design elements made of Chrome high-gloss give the exterior its exclusive appearance. The stylish impression is also present in the interior. Here first-class leather upholstery and high-quality interior trim finishers characterise luxury.

□ Do you want your BMW to be up to date with the latest software? With Remote Software Upgrade*, your BMW will always be up to date. Upgrades are installed over the air, just as they are for your smartphone. In this way, other functions in your vehicle can also be activated.

□ The comfort seats for driver and front passenger* include active headrests and can be electrically adjusted in various ways. The top part of the backrest, the backrest width, thigh support and headrest height can be individually adjusted. The equipment package also includes the lumbar support and memory function for the driver and front passenger.

□ BMW Individual high-gloss Shadow Line with extended contents¹ includes equipment features in black: Kidney grille frame and kidney grille slats in black high-gloss and tailpipe trims in Black Chrome.

□ In laser high-beam mode, BMW Laserlight* illuminates a range of up to 650 m, nearly twice as far as that of conventional headlights. Better visibility in the dark significantly increases safety. Blue accents and the lettering "BMW Laser" in the headlight also underline the technological standards and the sportiness of the vehicle.

□ The high-performance M Sport brake* is distinguished by exclusive red high-gloss brake callipers with M designation and outstanding braking performance.

□ BMW Live Cockpit Professional* includes two high-quality displays consisting of a 12.3" Control Display and a fully digital 12.3" instrument display.

□ Why go without the features of your smartphone in your BMW when you can continue operating it as usual? With smartphone integration²*, your vehicle supports Apple CarPlay and Android Auto by means of a wireless connection between your smartphone and the vehicle. This allows you to conveniently use familiar functions and various apps in the vehicle.

□ The Reversing Assistant* stores the last 50 m of the driven path in forward travel up to 35 km/h, so that it can be retracted if required. You are relieved of the steering work and can concentrate on monitoring the vehicle environment.

□ Wouldn't it be incredible if your BMW was also your personal vehicle expert? Communicate with your vehicle using the BMW Intelligent Personal Assistant*. Say natural commands to operate numerous vehicle functions. It can also explain topics about your vehicle and helps you to get to know your BMW even better.

□ Driving Assistant Professional³* offers optimum comfort and safety during critical or monotonous traffic situations. Apart from the contents of the Driving Assistant, it also includes Steering and Lane Control Assistant with extended functions, Emergency Stop Assistant and Lane Keeping Assistant with active side collision protection.

¹ Only available for M550i xDrive and M Sport package.
² Smartphone integration is permanently available in the vehicle. It includes Apple CarPlay and Android Auto. Due to possible future technical developments (e.g. of mobile phones),

the usability of the Apple CarPlay or Google Android Auto service cannot be guaranteed permanently. CarPlay is a trademark of Apple Inc. Android Auto is a trademark of Google LLC.
³ Function may be limited in darkness, fog or bright glare.

* The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

Some ConnectedDrive Services may differ between countries. Please consult your local BMW partner for more information.

□ Metallic 416 M Carbon Black³

[Colour samples] These colour samples are intended as an initial guide to the colours and materials available for your BMW. However, experience has shown that printed versions of paint, upholstery and interior trim colours cannot in all cases faithfully

reproduce the appearance of the original colour. Please discuss your preferred colour choices with your BMW partner or in your dealership. There you can also see original samples and be assisted with special requests.

¹ Available as standard with the M Sport package and M550i xDrive.
² Optionally also available with the M Sport package and M550i xDrive.
³ Exclusively available with the M Sport package and M550i xDrive.

The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

³ Only available for M550i xDrive.

⁴ Only available for M550i xDrive and M Sport package.

ORIGINAL BMW ACCESSORIES AND BMW M PERFORMANCE PARTS.

Equipment 24 | 25

■ Standard equipment □ Optional equipment ○ Accessories

○ Thanks to the BMW wireless
charging station universal, the
smartphone can be charged
comfortably without a cable –
even outside the vehicle.

○ In the event of disturbances,
the highly sensitive full-HD
camera automatically records
the situation in front of and
behind the car.

○ Precisely fitted protection
against moisture and dirt in the
front footwell. The black design
perfectly complements the
interior.

○ Like a filling station right in
your own home: With the BMW
Wallbox Plus, you can charge
your BMW quickly, reliably and
conveniently in a few hours.
You also have the option to
manage the use of the BMW
Wallbox Plus with an access
card.

○ Make a strong statement:
The carbon fibre M Performance
front splitters provide optimum
aerodynamics and highlight
the vehicle's masculine
appearance in a highly
exclusive manner. A unique
motorsport look for anybody
who refuses to compromise.

○ Show your style: the frame of the M Performance kidney grille is
made of hand-crafted premium carbon fibre and the grille consist of
extra sturdy plastic. A visual highlight at the front of the vehicle for
an especially elegant, sporty and individual look.

○ The striking carbon-fibre M
Performance exterior mirror
caps highlight the vehicle's
high-tech character, adding an
individual athletic touch.

○ The M Performance kidney grilles Iconic Glow give the vehicle a
unique radiance. LED lighting exclusively sets the scene for the BMW
kidney grille and the zone in front of the vehicle from opening to starting
and from switching off the ignition to locking the vehicle.

○ Gripping facts: The sport-
style steering wheel with
Alcantara-lined grip area
provides excellent feel and grip
for a more direct and
responsive steering feel.

○ 20" M Performance light
alloy wheels, forged, in Bicolor
Black matt, milled and
gloss-lathed on the visible side.
Complete wheel set with
run-flat tyres.

Discover the wide range of innovative solutions available for the exterior and interior, communication and information, and for transportation and the luggage compartment. Your BMW Partner is on hand to advise you on the whole range of Original BMW Accessories and the BMW M Performance Parts product portfolio. For further information, please visit www.bmw.com

The availability of some equipment features and functions depends on engine variants or additional options. The market and production availability may vary. You can find detailed information about terms, standard and optional equipment at www.bmw.com or at your BMW Partner.

The figures for performance, fuel consumption and CO₂ emissions refer to vehicles with standard transmission.

¹⁾ The EC unladen weight refers to a vehicle with standard equipment and does not include any optional extras. The unladen weight includes a 90% full tank and a driver weight of 75 kg. Optional equipment may affect the weight of the vehicle, the payload and the top speed if the selected equipment has an impact on the vehicle's aerodynamics.

²⁾ The actual total weight of the trailer must not exceed the maximum trailer load, taking into account the maximum tow bar download.

³⁾ Performance data of petrol engines apply to vehicles using RON 910 fuel. Fuel consumption data apply to vehicles using reference fuels in accordance with EU Regulation 2007/715. Unleaded RON 91 and higher with a maximum ethanol content of 10% (E10) may also be used. BMW recommends RON 95 super unleaded petrol.

The dimensions in the technical drawing are in millimetres and may vary depending on the model and optional equipment.

⁴⁾ Range depends on the equipment and various factors. In particular: personal driving style, route characteristics, exterior temperature, heating/air conditioning, pre-conditioning and the chosen equipment.

⁵⁾ EAER (equivalent all electric range).

⁶⁾ Dependent on the local electricity infrastructure. Charging time corresponds to a charge of 100% of maximum capacity.

⁷⁾ Official data for fuel consumption, CO₂ emissions, power consumption and electric range was determined in accordance with the prescribed measuring procedure and corresponds to European Regulation (EU) 715/2007 in the applicable version. For ranges, data determined as per WLTP takes into account any optional equipment (available on the German market in this case). For vehicles that have been newly type approved since 1 January 2021, only the official data according to WLTP exists. For more information about NEDC and WLTP measuring procedures visit www.bmw.com/wltp

⁸⁾ The combined energy consumption depends on the selected wheel and tyre sizes.

⁹⁾ ECAC (charge-depleting electric consumption).

¹⁰⁾ Electronically limited.

¹¹⁾ This engine version is not available in all countries. For further information, please contact your local BMW Partner.

¹²⁾ Provisional figures; any missing figures were unavailable at the time of publication.
